November 2024 Monthly Newsletter

KEY WEST WOMANS CLUB

PRESIDENT, AUNDREA WAGNER

& CORPUSCLE

Happy Fall Club Sisters!!

It's wonderful to be back in session. Thank you to everyone who joined us for our first meeting of the season. It's always a joy to see familiar faces, and I am especially excited to welcome back our snowbirds who have returned to the island just in time for another awesome season!

October brought a whirlwind of excitement—quite literally! Watching Hurricanes Helene and Milton's devastation has reminded us just how fortunate we are that Key West was spared, though our hearts go out to our neighbors working tirelessly to rebuild.

Our Fantasy Fest event was a success, special thanks to the dedication and hard work of **Patty Neyra, Dee Johnson, Diane May, Sherry Kimiecik, Allie Muzzillo, Barbara McShea Susan Burque, Jaylan Morawski**, and all the volunteers who put their hearts into setting up decorating and helping our event shine!! I am soo grateful to each of you for making it a huge success!

Our next meeting is coming up on **November 6**, in the front courtyard at noon, it's one you won't want to miss! We will have a wonderful lunch, lots of fun, fellowship, while giving back to the community by presenting donations from our 2023-24 Restaurant Card proceeds.

As we look ahead, we are continuing our journey of **"Saving Eleanor"** to preserve our historic museum and clubhouse. This season, we are beginning Phase III of her restoration journey, which will focus on restoring the remaining shutters and constructing much-needed outdoor storage space. We are also in need of a new air conditioning system and duct work to keep Eleanor cool; unfortunately, these aren't covered by our TDC grant, so your continued support is more important than ever.

For those who like to plan ahead, we have included a full calendar at the end of this newsletter. And don't forget to check our signup sheets in the work room or our new volunteer app for a convenient way to stay up-to-date .

I am deeply honored to lead this organization and to witness the incredible work you ladies do for our club and our community. Your dedication and spirit inspire me every day, and I couldn't ask for a better group of women to call sisters.

Here we go...into another season of fun, friendship and making a difference together.

*With love,
Aundrea*

I am so excited to celebrate Jane Goble as our November 2024 Woman of the Month!

Jane's generosity and eye for design have brought beautiful updates to our clubhouse over the summer. She was an invaluable help in selecting paint colors. She also designed and donated the stunning new curtains in the front parlor, that she and her husband, Bob, hung! Jane didn't stop there—she also donated the fabulous wallpaper in the ladies' powder room. I think it looks so awesome, giving the space a fresh tropical elegance. Jane's touches are everywhere throughout our museum, and I couldn't be more grateful to her! I asked Jane to share what brought her to the Key West Woman's Club, her journey in Key West, her interests, and the causes close to her heart. Jane said:

JANE GOBLE

Where are you from and How long have you been in Key West?

I'm from a small town in southwestern Pennsylvania and have lived as an adult in Ohio, Illinois, Texas and in South Carolina since 1973. We have been residents of KW since 2017 but still have our home on Lake Murray in SC. I first came to KW for a design project, fell in love with the place and we bought our first home on Newton Street in 1999.

How long have you been a member of the Key West Woman's Club?

I've been a KWWC member since 2022.

What inspired you to join our club?

I joined KWWC after attending a meeting as a guest and learning about all of the charities and organizations that the club supports. A strong and vibrant community like KW needs clubs such as ours for financial and volunteer support.

Background, Hobbies, Interest:

I love interacting with the members of KWWC. My life was so busy with my interior design business, rearing our two daughters, and managing our family since my husband, Bob, traveled extensively for his work. Now I'm retired and have time to meet the interesting, civic minded women in the club

Fun fact about you, something unique or favorite book, movie, travel destination etc..

I met my husband at Ohio University, we eloped at the end of our junior year, graduated, and moved to Champagne-Urbana for grad school. We've been married 56 years and love traveling the world, scuba diving, hiking, boating, gardening, architecture and volunteering. My important causes are ecological issues especially our oceans, women's freedoms everywhere, cancer research, and saving historical buildings and homes. When I was 19 years old in 1967 (yes, I'm that old) a girlfriend and I secured summer jobs in the Appenzell region of Switzerland. Eventually we spent 2 months hitch hiking (unbeknownst to our parents) from Norway to Rome via England, western Europe and East Berlin. We visited exchange students we knew in high school. I often told my parents that the experiences I had in those 3 1/2 months were perhaps the best education I received. I learned a lot about people. I became "street smart" as well as confident and resourceful. But the best result was the passion for travel and adventure that we still do as much as possible and passing that to the next generation.

*Thank you Jane for
making our Eleanor Beautiful!!*

***Our dedicated Volunteer
Docents
Myra and Joanne
waiting to
share our history with locals
and visitors from around the
world!!***

Why Volunteer Docents are the Heart of the Hellings Curry Museum (and How You Can Join Them!)

At the Hellings Curry Museum, our dedicated volunteer docents are the true storytellers of Key West's rich history. Thanks to their passion and commitment, our historic home has become a popular tourist attraction, drawing visitors eager to learn about the Hellings Curry family, The Key West Woman's Club, and the unique history of Key West.

Why are docents so important?

Our docents do more than just guide tours—they bring our history to life. Without them, we wouldn't be able to maintain our status as an official museum or qualify for critical grants from the Tourist Development Council (TDC), which fund important restorations to preserve this old girl. The time and energy our docents invest help keep the museum running, ensuring visitors have a meaningful experience while also contributing to the continued preservation of this historic landmark.

THANK YOU!!!!

I cannot express enough how grateful we are to our docents for the hours they dedicate to making the museum experience exceptional. Their efforts ensure that we can continue to receive funding that keeps our beautiful club home in top condition, making it possible for future generations to enjoy the history within these walls.

You too can be a KWWC docent!

We are always looking for more volunteers to join our docent team. It's a fun and easy way to get involved, fulfill your volunteer hours, and share the cool history of Key West. If you love meeting new people, enjoy learning and sharing history, and want to be a part of something meaningful, we would love to have you!

Don't worry if you're unsure about what to say—you can always drop by, sit on the porch. You'll have plenty of time to learn the stories and become a part of our team of history-loving volunteer docents.

Interested?

Contact Jane Teitelbaum at jteitelbaum@pacbell.net or 415-308-0236 to learn more.

KEY WEST WOMAN'S CLUB

Hi Ladies! Starting October 2, we began using a handy software program and app to log our volunteer hours and find fun ways to volunteer. It's easy to use and very important to the club because all our hard work for this community can help us qualify for essential grants. When you're ready to volunteer or log your hours for the first time, go to <https://bttr.im/wvxre> on your computer/laptop or iPad to easily create your own member profile. Then the next time you can simply log in at myimpactpage.com. You can also click the handy QR code that will take you to the website.

KIM GORDON

If you prefer to use the mobile app, just go to your App/Play Store and look for "My Impact." It will be an orange and green square from Better Impact. The mobile app is quite easy because it remembers your login details, so opening it will automatically access your profile! Questions? Reach out anytime to KWWCmembership@gmail.com, or click the chat button while using the program for immediate help 12/5 from a real, qualified person.

This month, I'm excited to induct four new members on November 6. Please welcome Shasta Munnerlyn, Carla Turner, Myrna Bendett, and Roberta Isleib. Shasta is a digital strategist at Overseas Media Group. Carla is the executive director of the Tropic Cinema. Myrna is a talented craft artist who has established two businesses, and you may recognize Roberta as the mystery series author who writes under the pen name Lucy Burdette. This month, for the first time, each of these new members will be matched with a KWWC Big Sister, an experienced member who will introduce her to new friends and help her choose fun activities to get involved with at the club. These are some of our most illustrious members, so you'll have to wait until the November meeting for the big reveal to find out who they are.

Speaking of illustrious members, have you met Linda Badway? A member since 2014, she most recently served on our Board of Directors as recording secretary for the past four years. And if you enjoy Women and Wine, you can thank Linda because she initiated it. She says, "I wanted to join the KWWC because I think it's very important to give back to the community we live in," and she "enjoys participating with 200 smiling, very special women." See you at the November meeting!

Yours in Sisterhood,
Kim Gordon

Fall is here and so are the New Restaurant & Theater Cards!

We will have them on sale at the meeting

This year brings exciting updates to the card!

First, we are going **COLOR!!**

First, we're going full color! When the card launched 19 years ago, it featured around 10 restaurants and was priced at \$95. Now, with 32 restaurants and 8 theaters/venues, and after more than a decade without any price adjustments, we've decided to raise the price to \$120. Remember, 100% of these proceeds go directly to local charities.

In response to feedback from participating restaurants, we're also introducing two new restrictions:

- A maximum of 2 cards per table.
- Restaurants may add a gratuity of up to 20% based on the original check total.

Although we lost 8 restaurants for various reasons, we're excited to announce the addition of 6 new restaurants and 2 new theaters/venues.

We greatly appreciate our restaurants and servers and are committed to ensuring a fantastic experience for everyone!
