PRESIDENT, AUNDREA WAGNER

AND CORPUSCLE

Happy New Year, Sisters!

As we welcome 2025, I want to take a moment to thank each of you for the amazing dedication and hard work you've brought to this season so far. Your commitment to volunteering, giving back, and supporting our mission and Museum has continued to make a wonderful impact in our community. Plus we had so much fun doing it!!

With just four regular meetings left in this 2024-25 season, let's make every moment count! We have many volunteer opportunities and exciting charity-focused events coming up, and your participation makes all the difference. We need all our sisters to make these events successful. Whether you volunteer, spread the word, or simply show up, your support is invaluable.

Our next meeting is scheduled for Wednesday, January 8th, at noon, and I can't wait to see each of your beautiful smiling faces there!

Sending wishes to each of you for an incredible New Year filled with love, kindness, friendship, sisterhood, purpose, gratitude, positivity, and the joy of giving back.

*With love and a hug,
Aundrea*

We are excited to announce **Myra Cardi** as our January 2025 Woman of the Month! Myra has been a faithful member of the Key West Woman's Club and a dedicated year-round docent for our Museum. Her dependability and commitment every week helps to keep our free museum open to the public. Myra's storytelling and passion for sharing the history of Key West and the Curry Hellings Family enrich every visitor's experience. She is a treasured part of our Key West Woman's Club family, and we are so fortunate to have her!

MYRA CARDI

I asked Myra about what brought her to the Key West Woman's Club, her journey in Key West, her passions, and the causes that are nearest to her heart. Here's what she shared:

How long have you been a member of the Key West Woman's Club?

I think I was inducted in 2019.

Where are you from and How long have you been in Key West?

Born in Cambridge MA, grew up in NJ and first came to KW in 1975 . I have lived here full time since 2013.

Background and hobbies/Interests? My father was a poet who came to Key West to be among other writers and artists that were his friends and he was a founding member of the Writers Compound on Windsor Lane. He had a house built here in 1978 in which I now reside. I enjoy gardening, cooking healthy meals for myself and taking care of my kitties & I love riding my bike around the island

What initially attracted you to join our women's club? I wanted to contribute to the town and meet people. I truly love the wonderful ladies I have met!

What are some causes or issues that are important to you? I am extremely concerned with our environment and the preservation of what's left .

What's your favorite book/movie/quote, or travel destination? Is there a fun fact or something unique or interesting about yourself that you'd like to share? One of my favorite quotes-"I have promises to keep and miles to go before I sleep" Robert Frost - who was a close friend of my father's and with whom I spent some time with as a child in Vermont . I was fortunate to grow up in my father's creative world and met many interesting people thru the years. I was a classically trained singer and sang in rock bands for years in NJ/New York area. Now I'm pretty boring but try to find reasons to be cheerful every day.

You Rock Myra!!!

SUSAN COLLIER
FIRST VICE PRESIDENT

I want to thank you all so much for your generosity of gifts for Poinciana Gardens. We had more gifts than we needed but we will be giving them as bingo prizes on our January 9th visit. We hope to see you there.

I also wanted to remind you all that a service for our beloved club member Mary Ann Finlay will be held at St. Mary's Church Saturday January 4th at 11 AM. A celebration of life will immediately follow at Key West Womans Club.

We will be at the club at 9:30 that morning setting up for the family. Any help from our members in setting up & clean up would be appreciated.

Wishing everyone a healthy & Happy New Year!

Susan

Baby Time

CHANGES TO BABY TIME

For some time now, the Woman's Club has been providing much needed baby clothing and supplies to families who commit to the Wesley House Healthy Families five-year program.

Beginning in 2025, we will not be holding a shower at the club. Instead, we are kindly asking for donations from our Amazon Wish List.

The list will be active from
January 15th thru February 15th.

We will provide gender neutral 0-3 and 3-6 clothing and accessories/supplies. Fifteen baskets will then be given to Wesley House. They will hand them out to FIRST-TIME parents in need throughout the year.

Two volunteers are needed to co-chair the event and committee members are needed to open

Amazon boxes and sort items

Please contact Mary Kay Rich at

KEY WEST WOMAN'S CLUB

Happy New Year! And thank you, thank you to the more than 100 members who logged volunteer hours in 2024. At least 100 of you used the new software, and many of you who don't use the Internet tracked your hours in our handy binder. I'm sending you big hugs for helping us qualify for future grant dollars that will make it possible to keep the Hellings Curry Museum beautiful and functioning so well for members and our community.

KIM GORDON

If you're new to logging hours, go to <https://bttr.im/wvxre> on your computer/laptop or iPad to easily create your own member profile. Or just use the handy QR code in this newsletter. Then the next time you can log in at myimpactpage.com. If you prefer to use the mobile app, go to your App/Play Store and look for "My Impact."

Did you join the club last April or anytime this season? If so, we've created a special event just for you. Please mark your calendar for **January 22, 11:30-1:00 p.m.**, for a fun new member orientation that includes an ideation session where we'll hear your ideas for community service. There will be a lovely lunch and we'll conclude with an historic tour of the house guided by Janie Teitelbaum, head of our docent program.

This month we welcome 5 new members. Regina Benetti is a world traveler with a background in business and marketing. Maura Gannon has been a concert promoter, business consultant and restaurateur, and you can now find her at Soul House. Artist and on-line gallery owner, Kathy Corey, exercises her MBA serving on the board of the Key West Art Center. Former Army test pilot, Diana Davis, is not only brave, but she has also founded two businesses and is president of her own financial planning company. Nancy Moulton has multiple degrees including a PH.D., and while running her own consulting business she also serves as the commander of the William Weech American Legion Post 168. Plus, this month I'll also formally introduce our member Meg Blake, a retired physician who loves to play the violin. What a remarkable group!

I'll close this column by introducing you to another incredible woman, long-term member Annita Tschanz. You may know Annita for her stellar work spearheading the Teddy Bears project as well as the upcoming Pack the Bags fundraiser for the Domestic Abuse Shelter. And now she has taken on leadership of the April awards luncheon. Annita was Woman of the Month last May and says she enjoys, "Meeting all the beautiful people of the club," and especially loves "sharing our experiences and talents to better serve the community."

HOLIDAY DECORATION TAKE DOWN!!

We need your help with taking down the holiday magic at Eleanor.

Our **season's sparkle** is over the top beautiful, but soon it will be time to wrap it all up!

Please Join us for teamwork and lots of fun as we pack away her beautiful decorations and return her to her timeless beauty.

JODY, CATHY AND PERK OPEN FOR TOURS ON NEW YEARS DAY

Why Our Volunteer Docents are the Heart of the Hellings Curry Museum

At the Hellings Curry Museum, our dedicated volunteer docents are the true storytellers of Key West's history. Thanks to their passion and commitment, our historic home has become a very popular tourist attraction, drawing visitors who are eager to learn about The Key West Woman's Club, the Hellings Curry family, and the unique history of Key West.

Why Are Docents So Important?

Our docents do more than just guide tours—they bring our history to life. Without them, we wouldn't be able to maintain our status as an official museum or qualify for critical grants from the Tourist Development Council (TDC), which help fund important restorations to preserve our Eleanor. The time and energy our docents share help keep our museum running, ensuring visitors have a wonderful experience while also contributing to the continued preservation of this historic landmark.

YOU CAN BE A HELTINGS CURRY MUSEUM DOCENT TOO!

We are always looking for more volunteers to join our docent team. It's a fun and easy way to get involved with our organization, fulfill your volunteer hours, and share some cool history of Key West. If you love meeting new people, enjoy learning and sharing history, and want to be a part of something meaningful, we would love for you to join us!!

Don't worry if you're unsure about what to say—you can always drop by, sit on the porch and take it all in! You will have plenty of time to learn the stories and become a part of our of history-loving volunteer docents team!

Interested?
